

PUBLIC NOTICE COVID-19 UPDATE

March 17, 2020

The Township of The North Shore cares about the health and security of our staff, residents and visitors. We understand that the spread of COVID-19 has caused concerns. That is why we have been and will continue to monitor the developing issues around this matter.

Today, we are announcing additional measures that are being taken by the Township to protect all against the spread of this virus.

Starting immediately, the Municipal Office will be closed to the public and visitors until April 5, 2020 (inclusive). Supplementary information includes the following:

1. Those who have booked the council chambers during the time of the closure, will not be charged for the booking. Any deposit will be returned.
2. The March 31, 2020 date for the payment of Interim Taxes is still in effect. Ratepayers can still pay by all methods currently available. If you decide to bring your tax payment or any other payment to the Township Office, you may drop it into the locked Drop Box outside the front door of the Municipal Office Building in Algoma Mills.
3. All scheduled Meetings for the month of March have been cancelled.
4. Until further notice, all Township staff will be working and all other services will continue.

Should the situation continue to develop, the Township of The North Shore will keep you informed.

The Township of The North Shore also encourages you to follow the guidelines of Algoma Public Health. On behalf of Council and Staff, please take care of yourselves and your families.

For more information, please contact Mary Lynn Duguay, Clerk Treasurer at twpns@ontera.net or call the municipal office at 705-849-2213 or (S/R 705-461-1821).
