CORRESPONDENCE

- a) New OPP Detachment Boards: PSB Chair M. Rose explained to the Board the Ministry of the Solicitor General direction under the *Community Safety and Policing Act, 2019* regarding detachment board framework. By means of the new framework it is intended to provide municipalities and First Nation communities receiving direct and/or supplemental services from the OPP the flexibility to create a board that reflects community and local needs. Under the framework, municipalities and First Nation communities receiving services from an OPP detachment are asked to submit one proposal, per detachment, indicating the composition of their board, rationale for municipal boards and the composition of each additional board. Completed proposals are to be submitted to the Ministry by June 7, 2021. PSB Chair Rose explained that the Town of Elliot Lake has offered to complete and take the lead with the proposal. It has been suggested that for our area a three board composition be proposed for East Algoma, being: East Algoma Board West-Tarbutt to Thessalon, East Algoma Board East-Blind River to Spanish; and City of Elliot Lake.
