Mayor and Council c/o Rachel Jean Schneider, Clerk Township of The North Shore P.O. Box 108, 1385 Hwy 17 Algoma Mills, ON POR 1A0

Dear Ms. Schneider:

RE: Code of Conduct Complaint – Councillor Len Menard Our File No. 36669-9

This public report of our investigation is being provided to Council in accordance with section 223.6(1) of the *Municipal Act*. We note that section 223.6(3) of the *Municipal Act* requires that Council make the report public. The Clerk should place the report on the agenda for the next open session Council meeting.

Should Council desire, the Integrity Commissioner is prepared to attend at the open session meeting virtually to present the report and answer any questions from Council.

At the meeting, Council must first receive the report for information. The only decision Council is afforded under the *Municipal Act* is to decide how the report will be made public, and whether to adopt any recommendations made by the Integrity Commissioner. Council does not have the authority to debate the findings of the report, only the recommendations.

The Integrity Commissioner has included only the information in this report that is necessary to understand the findings. In making decisions about what information to include, the Integrity Commissioner is guided by the duties set out in the *Municipal Act*. Members of Council are also reminded that Council has assigned to the Integrity Commissioner the duty to conduct investigations in response to complaints under the Code of Conduct, and that the Integrity Commissioner is bound by the statutory framework to undertake a thorough process in an independent manner. The findings of this report represent the Integrity Commissioner's final decision in this matter.

On March 14, 2024, a complaint under the Code of Conduct (the "Complaint") was forwarded to our attention alleging that Councillor Len Menard had breached the Code of Conduct. The allegations related to Councillor Menard having allegedly engaged in an altercation with a constituent where he threatened the constituent.

Investigation

The Township's Code of Conduct and the *Municipal Act* provide the Integrity Commissioner with powers which include the ability to interview witnesses and review documents deemed relevant to the investigation process. In conducting the investigation, our process included:

- Providing a copy of the request for inquiry and supporting materials to Councillor Menard, with a request for any written response to be provided within 10 business days;
- Providing a copy of Councillor Menard's response to the complainant, with a request for any written response to be provided within 10 business days;
- Interviewing witnesses;
- Interviewing Councillor Menard;
- Interviewing the complainant; and
- Reviewing all submissions and analyzing the merit of the request for inquiry.

After conducting our investigation, the Integrity Commissioner does not have enough evidence to substantiate the claim against Councillor Menard. Therefore, the Complaint is dismissed.

ANALYSIS

The complainant alleges that Councillor Menard approached the complainant and a friend and uttered a threat. If the allegations were true, such conduct would be a breach of sections 7.1 and 7.2 of the Code of Conduct, which provide:

- 7.1 Every Member has the duty and responsibility to treat members of the public, one another and staff appropriately and without abuse, bullying or intimidation, and to ensure that the municipal work environment is free from discrimination and harassment. The Member shall be familiar with, and comply with, the Municipality's Workplace Anti-Violence, Harassment and Sexual Harassment Policy.
- 7.2 A Member shall not use indecent, abusive or insulting words, tone or expressions toward any other Member, any municipal staff or any member of the public.

Findings:

The Integrity Commissioner conducted interviews of the complainant, witnesses to the alleged altercation, and Councillor Menard. There were competing accounts of the encounter presented. Based upon the evidence gathered and reviewed, the Integrity Commissioner cannot make a determinative finding that Councillor Menard made the threat as alleged.

Specifically, there is insufficient evidence to permit the Integrity Commissioner to favour the complainant's account of the event over Councillor Menard's account (or vice versa). Accordingly, there is insufficient evidence to make a finding as to whether Councillor Menard breached the Code of Conduct.

CONCLUSION

For the reasons stated above the Complaint is dismissed.

Sincerely,

Cunningham, Swan, Carty, Little & Bonham LLP

d) Resolution of Support - AMCTO Provincial updates to the Municipal Elections Act RESOLUTION #24-308

Moved by: R. Welburn Seconded by: R. Green

WHEREAS elections rules need to be clear, supporting candidates and voters in their electoral participation and election administrators in running elections.

WHEREAS legislation needs to strike the right balance between providing clear rules and frameworks to ensure the integrity of the electoral process,

WHEREAS the legislation must also reduce administrative and operational burden for municipal staff ensuring that local election administrators can run elections in a way that responds to the unique circumstances of their local communities.

WHEREAS the Municipal Elections Act, 1996 (MEA) will be 30 years old by the next municipal and school board elections in 2026.

WHEREAS the MEA sets out the rules for local elections, the Assessment Act, 1990 and the Education Act, 1990 also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario.

WHEREAS with rules across three pieces of legislation, and the MEA containing a patchwork of clauses, there are interpretation challenges, inconsistencies, and gaps to fill.

WHEREAS the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce.

WHEREAS while local elections are run as efficiently and effectively as can be within the current legislative framework, modernization and continuous improvement is needed to ensure the Act is responsive to today's needs and tomorrow's challenges.

WHEREAS to keep public trust and improve safeguards the Act should be reviewed considering the everchanging landscape which impacts elections administration including privacy, the threats of foreign interference, increased spread of mis/disinformation and the increased use of technologies like artificial intelligence and use of digital identities.

WHEREAS the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) reviewed the Act and has provided several recommendations including modernizing the legislation, harmonizing rules, and streamlining and simplifying administration.

AND WHEREAS AMCTO put forward recommendations for amendments ahead of the 2026 elections and longer-term recommendations for amendments ahead of the 2030 elections.

THEREFORE BE IT RESOLVED THAT the Township of The North Shore calls for the Province to update the MEA with priority amendments as outlined by AMCTO before Summer 2025 and commence work to review and re-write the MEA with longer-term recommendations ahead of the 2030 elections.

AND BE IT FURTHER RESOLVED that this resolution will be forwarded to all municipalities in Ontario for support and that each endorsement be then forwarded to the Minister of Municipal Affairs and Housing, the Minister of Education, the Minister of Public and Business Service Delivery, Minister of Finance, the Premier of Ontario, Algoma-Manitoulin MPP, and AMCTO.

SUBJECT: LEGAL FEES TO BE PAID – Invoice #965607

RECOMMENDATION: That Council review the attached Invoice #965607 from Weaver Simmons, for information purposes.

Please find attached to this report an invoice dated September 13th, 2024, (received on October 2nd, 2024 via email) that was issued to the Township of The North Shore from Weaver Simmons for services rendered and disbursements incurred for the period ending September 13th, 2024, in regard to reviewing documents and drafting and providing a letter of opinion regarding the Township's Workplace Anti-Violence, Harassment and Sexual Harassment Policy.

At the July 17th, 2024, Regular Council meeting, Council passed the following Resolution:

" j) Workplace Anti-Violence, Harassment and Sexual Harassment Policy RESOLUTION #24-203

Moved by: L. Menard Seconded by: T. Simon

BE IT RESOLVED That Council for the Corporation of the Township of The North Shore receive the staff report for consideration, and that Council defer the proposed Workplace Anti-Violence, Harassment and Sexual Harassment Policy as presented to be in compliance with the Order from the Ministry of Labour received May 10th, 2024, and direct the Clerk to add wording to "Making a Complaint of Discrimination, Workplace Violence, Harassment or Sexual Harassment" regarding Council reviewing complaints, direct the Clerk to have wording reviewed by Legal Counsel, and bring Policy back to a future meeting.

The Township of The North Shore Legal Counsel Services Consultation and Expenditures Policy states the following:

- "3.1 Legal Counsel Services Consultation or expenditures may be commenced by the Clerk or designated Clerk if the amount of legal fees remains within the year's budgeted amount for Legal Services
- 3.2 No Legal Counsel Services Consultation or expenditures may be commenced unless prior approval is obtained from the Township of the North Shore Council by means of resolution if the amount of legal fees exceeds what is left in the year's budget.
- 3.3 Any consultation or expenditure commenced will be brought to the attention of Council at the next scheduled meeting of Council, under the relevant section of the agenda."

Although Council passed a Resolution to refer the Policy to Legal Counsel for review, it is still a requirement of the Policy that the invoice be brought to the attention of Council at the next scheduled meeting of Council.

Council Report

SUBJECT: CELEBRATE CANADA 2025 GRANT APPLICATION

<u>RECOMMENDATION:</u> That Council authorize staff to submit an application under the Celebrate Canada 2025 program for Canada Day 2025 celebrations by November 21st, 2024

On October 9th, 2024, the Clerk was notified via email that the grant application window has now opened for the Celebrate Canada Grant for 2025. The Township has applied for the Celebrate Canada grant in previous years. The deadline to apply for 2025 is November 21st, 2024.

The Canada Day event must be held on Canada Day, July 1st, 2025,

For 2024, the Canada Day event was held at the Lauzon Beach in Algoma Mills. A hotdog BBQ was put on by the Recreation Committee and Volunteers. Cupcakes, refreshments, and free Canada related items were available to the public as well as the hotdogs. There was a table set up for face painting and various games for the public to utilize. At dusk, the public enjoyed a fireworks display put on by the Township's Volunteer Fire Department.

The amount received in 2024 for the event was \$840.00.

Council Report

<u>SUBJECT:</u> COMMUNITY EMERGENCY PREPAREDNESS GRANT APPLICATION – 2024-2025

RECOMMENDATION: That Council receive the staff report as presented, and that Council authorize staff to submit an application under the Community Emergency Preparedness Grant 2024-2025 by October 31st, 2024.

The Ontario Government is again accepting applications for the Community Emergency Preparedness Grant to help communities and organizations purchase critical supplies, equipment and deliver training and services to improve local emergency preparation and response. In 2023, the grant supported 113 recipients across Ontario – Unfortunately, the Township applied for this grant but was not chosen as a successful applicant.

The news for the second round of the grant was released on September 16th, 2024, and the applications close on October 31st, 2024.

Eligible applicants once again include Ontario municipalities with a population under 100,000.

The Public Works Manager/Fire Chief has proposed to use this grant to purchase a backup generator at the municipal office for emergency purposes (the municipal office is the primary Community Control Group and Emergency Management Committee meeting location and one of the Emergency Operation Centers located in the Township). Eligible expenses, located on page 9 of the attached guidelines, include Generators.

As indicated in the attached *CEPG Application Guidelines*, "applicants must demonstrate that they can complete the activity by the program end date of August 29th, 2025. Any funds not spent must be returned to the province".

I. What you need to know before you apply

Before filling out the application

- 1. Read the 2024-25 Community Emergency Preparedness Grant (CEPG) Application Guidelines in full.
- 2. Install Google Chrome internet browser.
- Install the latest Adobe Acrobat Reader https://get.adobe.com/reader/.
- 4. All applications must be submitted electronically through Transfer Payment Ontario (TPON).

Visit https://www.ontario.ca/page/get-funding-ontario-government to learn how to create a My Ontario Account, register for TPON, and get a TPON account.

Registration may take up to **five (5) business days** so give yourself plenty of time to register before starting the application process.

- 5. Download the application form.
- 6. Optional: Online information session are available to learn about Transfer Payment Ontario (TPON) and the application process, and to ask questions you may have after reading the guidelines.

II. Program overview

Purpose and objective

The Community Emergency Preparedness Grant (CEPG) is a grant program provided by the Government of Ontario to support emergency preparedness and response in Ontario. It will support Ontario's goal to help ensure Ontarians are safe, practiced and prepared before, during and after emergencies. It will help build capacity and enhance the resiliency of local governments, First Nations, and community groups in preparing for and responding to emergencies. The grant will provide funding to help communities and organizations purchase emergency supplies and equipment and provide services.

An "emergency" as defined in the <u>Emergency Management and Civil Protection Act</u> (Ontario) is a situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise.

The grant of \$5,000 to \$50,000 per project is targeted at small- and medium-sized communities. It is a competitive application-based program with successful applicants demonstrating through their applications various considerations including need (emergency and occurrence), capacity (ability to complete the project and manage resources acquired through grant funding) and alignment with program objectives.

Eligible applicants

The grant is focused on small- and medium-sized communities in need of building capacity in emergency preparedness. Eligible applicants must have an emergency management mandate or responsibility.

All eligible applicants must be legal entities, have governance structures and accountability processes to administer and manage public funds and have an Ontario bank account.

Eligible applicants include:

- Municipalities with a population under 100,000 people (based on Statistics Canada data from 2021).
 - o Note: The combined funding for an upper tier municipality and all of its lower tier municipalities may be limited.
 - o See Appendix C for a list of municipalities with a population under 100,000 people.
- Non-municipal fire departments or entities providing fire protection services as defined in the Fire Protection and Prevention Act in unincorporated Ontario.

- Local services boards established under the Northern Services Boards Act.
- First Nation communities, Indigenous organizations, including Tribal Councils, and other Indigenous service organizations that support emergency preparedness and management programming in First Nation communities.
- Non-governmental organizations (NGOs) that:
 - o Are a registered charity or a not-for-profit corporation without share capital;
 - o Were incorporated by December 31, 2022;
 - o Have an emergency management mandate or responsibility; and
 - o Are emergency response organizations that are called upon by a community to support the response to an emergency.
- NGOs that provide fire protection services to communities.

Ineligible applicants

- Organizations without an emergency management mandate or responsibility.
- Organizations that serve only a fixed membership/community instead of the community at large (e.g., long term care homes are ineligible).
- Individuals.
- Federal/provincial/municipal agencies.
- Universities, colleges, school boards, schools, and hospitals.
- Municipalities with a population over 100,000 people (based on Statistics Canada data from 2021).
- Municipal fire departments cannot apply directly however may apply through an eligible municipality.
 - o municipal fire departments may be eligible for other grant opportunities supported by the Government of Ontario, such as the Fire Protection Grant, see available funding opportunities here.
- Organizations that previously received funding through the 2023-24 Community Emergency Preparedness Grant or the Emergency Readiness and Capacity Building (ERaCB) programs.

Application eligibility requirements

- Each applicant can only submit one application.
- Applications will be deemed ineligible if the grant request is below \$5,000 or over \$50,000.
- Incomplete applications will be deemed ineligible.
- Funded projects must align to the potential provincial emergency types listing provided in Appendix A.

Timelines

Milestone	Timeline
Deadline to submit application	October 31, 2024, 5:00pm EST
Applicants notified of funding decision	February 2025
Project reporting deadline	Expected September 2025 (two weeks after project completion). Subject to change. Final date will be provided in the Transfer Payment Agreement.

III. How to Apply

Important information regarding application submission

Once registered in TPON, you will gain access to the application form.

Type responses directly into your application form. Do NOT cut and paste text, (i.e., do NOT copy text from another document into the official application form), as this may cause technical problems that will prevent your application from being properly submitted to the TPON system. It is the applicant's responsibility to ensure that the funding application has been successfully completed and uploaded correctly to the TPON system.

Before uploading the application form, **click on the "Validate" button**. A pop-up dialogue box will appear indicating whether the form has been filled out correctly ("Form validated successfully") or if changes are needed. If required, make the necessary changes and validate the form again. Once validation is successful, save the form on your computer and upload it to the TPON system.

NOTE: You should receive a confirmation notice by email from TPON **within 24 hours** of submitting your application. If you do not receive such a confirmation notice within the 24-hour period, the application may not have been properly submitted. Please contact TPON Client Care who will assist you with any technical difficulties to ensure that the Province receives your application in due form by the deadline. If you do not do so, your application may not be received by the Province and may not be considered for funding.

For assistance, please contact **TPON Client Care** at 416-325-6691 or 1-855-216-3090 or TPONCC@Ontario.ca

IV. Application Review Process and Assessment Criteria

All applications submitted will be reviewed, but only complete and eligible applications will be considered for funding.

Applicants must demonstrate how the proposed activity or purchase in the application will increase emergency preparedness and resiliency for the organization and community.

o For example: a community organization applies for funding to purchase generators, develop protocols, and conduct training on the equipment. The purchase of generators will allow for refrigeration during a power outage. This will impact the community by helping to ensure there is a reliable source of food and/or communications during prolonged power outages for community members who may not have access to refrigeration or other means of communication.

Applicants must also demonstrate through their application that they:

- Can sustain their emergency preparedness and response programs without additional Government of Ontario funding after the end date of their CEPG project.
- Can maintain and operate any equipment purchased with CEPG funding after it is purchased.
- Have a sufficient operating budget to purchase supplies such as fuel, filters, etc., and pay for regular maintenance of equipment purchased with CEPG funding.
- Can complete the activity for their CEPG funded project (i.e., procurement, training, plan development) by the program end date of August 29, 2025. Any funds provided through the CEPG program that are not spent at project completion must be returned to the Province.

To ensure transparency and accountability in the expenditure of public funds, applicants must declare to the Province any and all other financial contributions or funding they receive from other sources/funders towards eligible expenses for their CEPG funded project.

Criteria that will be used to evaluate applications includes:

Application criteria	Evaluation
Emergency management mandate or responsibility	Whether and to what extent the applicant can deliver the project and has a mandate or responsibility to support emergency preparedness.
Project description	Whether and to what extent the applicant's emergency preparedness project is described clearly with strong alignment with the identified emergency type.
Emergency type	Whether at least one priority emergency type is identified.
Emergency frequency	The likelihood that the provincial emergency type identified in the application will occur.
Project location	Identify, if any, challenges with the project location in the event of an emergency, which can be remedied through this funding.
Project sustainability	Whether and to what extent the application indicates a clear sustainability plan.
Project collaboration	Whether and to what extent the applicant has identified if the project involves collaboration with other neighbouring communities on the project.
Project timelines	Whether the applicant has attested to deliver the project within program timeframe. All projects must be completed before August 29, 2025.

Performance measures	Whether and to what extent performance measures to build capacity have been identified. A target and baseline value has been provided for applicable measure(s).
Project budget	Whether and to what extent the project budget is itemized and cost estimates provided.

The Province cannot guarantee funding to all applicants, nor can the Province ensure that the total amount requested by successful applicants will be granted. The Province reserves the right, in its sole discretion, to fund or not fund any project or program for which an application is submitted.

Decisions to fund all or part of any application submitted depend on various considerations, including alignment with program priorities and application assessment criteria and the amount of funds available for the 2024-25 CEPG program.

V. Project budget

Funding amounts and eligible expenses

Applications will be deemed ineligible if the grant request is under \$5,000 or over \$50,000.

Applicants are required to provide a detailed budget for the proposed initiative, with an itemized list of expenses.

Funds provided under the CEPG program are for activities that take place in Ontario and that benefit Ontarians.

Each itemized cost must include a description of how the cost was estimated (e.g., from previous invoice, or quote received). See example below.

Ineligible expenses will not be approved.

Note that a certain portion of approved funding may be held back, which may be released upon satisfactory receipt of a report back.

Example of itemized expenses

Expense category	Description of items	Total planned spending
Identify the Expense Category: Equipment/ Supplies/ Training/ Services	List the items and cost breakdown within each category	Provide the total cost per category
Equipment	5 two-way radios \$1,000 5 chain saws \$1,500	\$2,500

Eligible expenses

The lists of eligible and ineligible expense categories provided below are not exhaustive. Other expenses may be eligible.

Below are examples of eligible expenses organized into four categories:

Equipment

Generators, chain saws, water pump and purification systems, air scrubbers, two-way radios, mobile communication tower, weather radios, GPS phones, drones, sandbagger, response equipment, flatbed trailers.

Supplies

Sandbags, cots, food kits, emergency preparedness promotional material (e.g., printed brochures, fridge magnet, signage, etc.).

Training

Exercises, Incident Management System training/licencing, EM training, First Aid, specialized equipment training, mental health crisis management and response, donation management, emergency evacuation procedures.

Services

Emergency plan development, Exercise planning and coordination, risk assessment, emergency preparedness promotional strategy, emergency preparedness website, installation of equipment.

Below are ineligible expenses:

- Basic commodities: hard hats, shovels, axes, smoke detectors, personal protective equipment, hand sanitizer, first aid kits, safety goggles, safety gloves, footwear, bottled water, flares, traffic cones, stretchers, cables/cords, snow removal equipment, ropes, scuba equipment, portable toilets, portable showers.
 - Note: these are eligible expenses for applicants that are First Nation or Indigenous organizations.
- Motorized vehicles of any type including boats and all-terrain vehicles (ATVs) and upgrades to motorized vehicles.
- New construction of or upgrades to facilities (other than emergency power and water systems).
- Equipment not used directly in response to an emergency.
- Major capital expenditures (e.g., buildings, vehicles, public works or forestry/parks upkeep or maintenance are not eligible under the program).
- Funds expensed outside of the term of the agreement.

Applications with ineligible items may be disqualified.

Taxes

Taxes are eligible expenses if they are directly related to the project. However, any tax rebates, credits or refunds received by the organization must be identified and deducted from the project cost.

Procurement rules

All expenses must be reasonable, well supported and justified and must directly relate to the project. Include only eligible expenses in the project budget. Expenses detailed within the budget cannot be reallocated or moved to a different category without prior written approval from the Province.

Project-related travel, meals and hospitality expense limits must be in accordance with the OPS Travel, Meals and Expense Directive. Refer to the link here for details <u>Travel</u>, Meal and Hospitality Expenses Directive (ontario.ca).

Organizations receiving funding are expected to adhere to their organization's procurement practices, as applicable.

NGOs that received \$10 million in Ontario government funding in fiscal year 2023-24 may be required to follow the Broader Public Sector (BPS) Procurement Directive. Review the BPS Procurement Directive: <u>Broader Public Sector Procurement Directive</u> April 1 2024 (ontario.ca) for more information.

VI. Organizations approved for funding

Transfer payment agreement and mandatory documents

A transfer payment agreement (TPA) will be issued to applicants who will be awarded a grant.

Recipients will be required to sign and return the TPA and also submit the following supporting documents:

- Confirmation that the signing authority in the TPA has authority to bind the
 organization to a contract. This may be the organization's delegation of authority
 framework, board resolutions confirming authority to bind the organization, or bylaws that outline the individual(s) that can sign the document and bind the
 organization.
- Email or memo to the elected official or head (i.e., Chief, Regional Chair, Mayor, Warden, Head of Council, President) of the organization notifying them of approved project funding if different from the signing authorities in the TPA.
- Certificate of insurance as stipulated in the TPA.

Use of funds

If your application is successful, the period for eligible expenses will begin on the effective date and will end on the project expiry date that will be indicated in the transfer payment agreement.

All eligible project expenses must be incurred (i.e., charged to your organization and supported by an invoice) during this period for activities taking place within this same eligible project period. Any expenses incurred outside this period are not eligible and will not be funded.

Report back requirements

All recipients of grant funding will be required to report back to the Province in accordance with the terms and conditions provided within the TPA. Recipients will be required to provide a report back two weeks after the project completion date.

Post-program quality assurance and potential audits

A post-program quality assurance process may be conducted on approved projects.

The quality assurance process will confirm that funds were utilized as approved and performance metrics were met as indicated.

Recipients will be required to keep and maintain, for a period of seven years from their creation, all financial and non-financial records and documents related to funds provided or otherwise related to the approved project.

VII. Appendices

A: Potential provincial emergency types

Source: Office of the Fire Marshal and Emergency Management Hazard Identification Report 2019

Avalanche: A snow avalanche ensues when a pent-up snow mass loses its hold and is discharged from a slope.

Drought or low water: Drought (also referred to as a period of low water) is an extended period, with one or more of the following:

- Three months or greater with below average precipitation, which may be combined with high rates of evaporation.
- Conditions in which the water levels in streams are at the minimum required for the survival of aquatic life. Water must be rationed only for high priority uses since many wells are becoming dry.
- Conditions that have socioeconomic impacts that are felt over a much larger area than the individual properties that the drought/low water conditions have been reported at.

Earthquake: An earthquake occurs when rocks break and slip along a fault in the earth. Energy is released during an earthquake in several forms, including as movement along the fault, as heat, and as seismic waves that radiate out from the "source" in all directions and cause the ground to shake, sometimes hundreds of kilometers away.

Erosion: The gradual wearing away and removal of soil or rock particles by water, ice, snow, air, plants, animals, or humans. Eroded sediment or dissolved material may be transported just a few millimetres, or thousands of kilometres.

Extreme cold: Extreme cold events occur when winter temperatures drop significantly below average for that time of the year.

Extreme heat: Extreme heat is when:

- The temperature for a region is significantly above the average high for an extended period;
- the average daytime high and nighttime minimums are expected to be above a certain temperature; or
- there is a high humidex.

Farm animal disease: Any deviation of the farm animal body from its normal or healthy state. Infectious diseases can spread from animals to animals and from animals to humans (zoonotic).

Fire explosion: Fire: A rapid oxidation process, which is a chemical reaction resulting in the evolution of light and heat in varying intensities. Any instance of destructive and uncontrolled burning, including explosions. Explosion: The sudden conversion of potential energy (chemical, mechanical, or nuclear) into kinetic energy that produces and violently releases gas.

Flood: An overflow or inundation of water from a river or other body of water, or over land, which causes or threatens damage.

Fog: A cloud at the earth's surface, consisting of tiny water droplets, or under very cold conditions, ice crystals or ice fog. It is generally found in calm or low wind conditions. Under foggy conditions, visibility is reduced to less than 1 km.

Food contamination: Broadly defined as any situation that involves or could involve food which might pose a high risk to humans. The contamination or adulteration of food by physical, chemical or biological agents is invariably the cause of such emergencies.

Hurricane: Hurricanes are tropical cyclones that occur in the Atlantic Ocean and northeastern Pacific Ocean, with maximum sustained surface winds of at least 118 km/h. Tropical cyclone is a generic term for the family of tropical low-pressure systems, including tropical depressions, tropical storms and hurricanes. Hurricanes are known as typhoons in the western Pacific, very severe cyclonic storms in the North Indian Ocean, and severe tropical cyclones in Australia.

Landslide: A landslide is any type of slope failure or downward movement of rock and/or sediment. The flow of soil (earth or debris) or rock down a slope can range from a few cubic meters to more than 10 km.

Land subsidence: Land subsidence is a gradual settling or sudden sinking of the Earth's surface owing to subsurface movement of earth materials.

Lightning: Lightning is an electrical discharge caused by a build-up of static electricity between thunderclouds, or between thunderclouds and the ground. It can deliver as much as 100 million volts of electricity and strike a target up to 16 kms away, making it an extremely dangerous form of severe weather.

Plant disease or infestation: Generally defined as any series of harmful physiological processes caused by irritation of the plant by some invading agent. These invading agents are typically referred to as plant pathogens, and include viruses, bacteria, fungi and algae.

Thunderstorm: Thunderstorms are local storms, usually produced by a cumulonimbus cloud and accompanied by thunder and lightning. They can bring lightning, heavy rain, hail, strong winds and tornadoes.

Storm surge: An abnormal, sudden rise of sea or lake level associated with a storm event.

Tornado: A violently rotating column of air that results in the formation of a funnel cloud that extends fully or partially from the cumuliform cloud to the surface.

Wildland fire: Any fire in forests, shrub lands and grasslands. Some are uncontrolled wildfires that are started by lightning or humans. A small number are prescribed fires set by authorized forest managers to mimic natural fire processes that renew and maintain healthy forests.

B: Program definitions/glossary

Baseline: The measurement that is taken before the project begins or any actions were taken. The baseline value should be below the target value.

Capacity: the amount that something can produce (e.g., the organization aims to increase training capacity).

Emergency: A situation or an impending situation that constitutes a danger of major proportions that could result in serious harm to persons or substantial damage to property and that is caused by the forces of nature, a disease or other health risk, an accident or an act whether intentional or otherwise, as defined in the *Emergency Management and Civil Protection Act*.

Emergency management: Organized activities undertaken to prevent, mitigate, prepare for, respond to and recover from actual or potential emergencies.

Emergency management mandate: The mandate to implement emergency management activities is considered the authority given by legislation, government policy, etc. to engage in such activities.

Emergency management responsibility: Organizations may have emergency management activities as their primary (core business function), secondary (alternate if lead organization cannot fulfil its role) or supportive (provide supportive services to the primary or secondary organizations) role.

Hazard: A phenomenon, substance, human activity or condition that may cause loss of life, injury or other health impacts, property damage, loss of livelihoods and services, social and economic disruption or environmental damage. These may include natural, technological or human-caused incidents or some combination of these.

Hazard identification: A structured process for identifying those hazards, which exist within a selected area and define their causes and characteristics.

Lower Tier municipality: A lower-tier municipality means a municipality that forms part of an upper-tier municipality for municipal purposes. Municipal responsibilities set out under the Municipal Act and other Provincial legislation are split between the upper tier and lower tier municipalities.

Non-governmental organization (NGO): An entity with a common interest or focus that is not created by a government but may work cooperatively with governments.

Preparedness: Actions taken prior to an emergency or disaster to ensure an effective response. These actions include the formulation of emergency response plans, business continuity/continuity of operations plans, training, exercises, and public awareness and education.

Share capital: A company with no share capital means that does not issue shares to raise funds from investors.

Single tier municipality: A single-tier municipality means a municipality that does not form part of an upper-tier municipality for municipal purposes and assumes all municipal responsibilities set out under the Municipal Act and other Provincial legislation.

Supplies: Supplies are used to support operations and are often exhaustible and have a limited lifespan after they've served their purpose.

Target: The quantifiable benchmarks you want to reach to meet your project goals.

Upper tier municipality: An upper-tier municipality means a municipality of which two or more lower-tier municipalities form part for municipalities purposes. Municipal responsibilities set out under the Municipal Act and other Provincial legislation are split between the upper tier and lower tier municipalities. A county or region of which two or more lower-tier municipalities form part for municipal purposes (*Municipal Act, 2001*).

Council Report

For information Only. Public Works and on PUCs behalf will be sending a letter on township letterhead to the people of Pronto subdivision.

A list of things to NEVER put down your drain.

So that council is aware, Wednesday October 2nd PUC had to do some repair work at our Pronto subdivision lift station. To do this work they had to hire a large sep vac unit from the Sault. This unit is 300 to 500 hundred dollars an hour depending on the time of day they are called out. As they were proceeding with their work, they discovered a large amount of debris and other items that should be foreign to any septic system. If the Township had to deal with these items stuck in the pumps after hours, we would be looking at approximately 1000 dollars an hour all in.

Some of the many things that should never go down your drain EVER.

Powdered soap

Hair

Coffee grounds

Eggshells

Grease and or oil

Rice and pasta

Fibrous foods

Medication

Paint

Produce stickers

Bones and fruit pits

Potato peels

Bleach

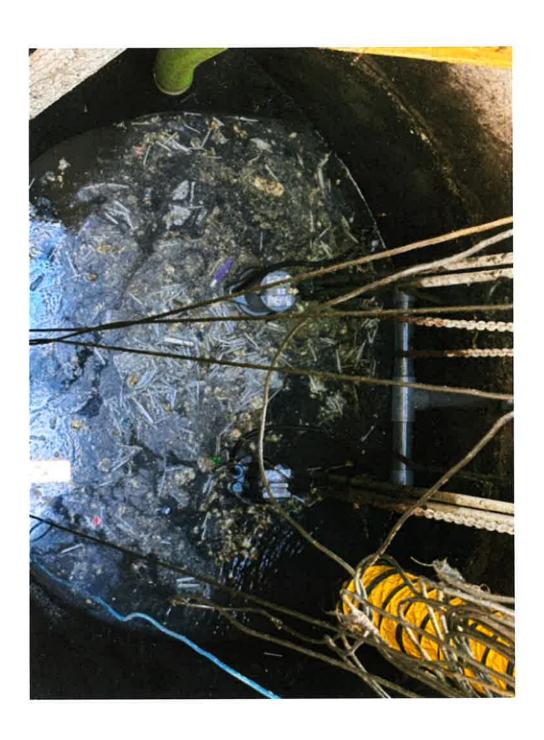

Honey

Sanitary napkins and or Tampons

Qtips

These items will NOT break down in your septic system. Some of these items can and will clog in the first 20 feet of your pipe.

Council Report

<u>SUBJECT:</u> HYDRO ONE POLE INSTALLATION – WILLIAMS – SEEKING COUNCIL PERMISSION

<u>RECOMMENDATION:</u> That Council review the letter and map submitted by D. Williams regarding the installation of Hydro One poles on Township easement, that Council grant permission to have the poles installed, and that Council direct the Clerk to provide the granted permission in writing.

On October 7th, 2024, the attached letter and map were submitted to the Municipal Office seeking permission from Council to allow the residents of 6 Lauzon Village Road, as recommended by Hydro One, to have Hydro One poles installed within the Township of The North Shore easement in order for Hydro One lines to be ran across Lookout Road from the existing Hydro lines along Highway 17.

Please see attached letter and map.

October 4, 2024 **Town Council** Township of The North Shore

Request for Permission to Install Hydro lines to run across Township Easement

Dear Town Council,

I hope this letter finds you well. We are currently working on the development of our lot 6 Lauzon Village Road property and have begun discussions with Hydro One to arrange for the installation of hydro up to our property boundary. Given the existence of a township easement along the road's edge, we are requesting formal permission to have a new hydro line cross within the townships easement area, in accordance with the recommendations provided by Hydro One.

As the property owners and project initiators, we will assume full responsibility for clearing any necessary trees and installing the hydro poles which will reside on our property. Once the installation is complete, ownership and ongoing maintenance of the poles and adjacent trees will be transferred to Hydro One. We wish to clarify that the township will not incur any costs related to this request or the work being carried out.

Attached, please find a map detailing the property lines marked by a yellow line. The existing pole line is in red following highway 17. The 2 new poles are marked on the map with blue dots and an arrow to show where they would be placed, subject to Hydro One's final plan.

We kindly request your written permission to allow Hydro One to install the above ground lines within the township easement, ensuring that no encroachment occurs on private properties.

Thank you for your attention to this matter, we are in the process of building our retirement home on Lot 6. We look forward to your approval so we may proceed with Hydro One accordingly.

Sincerely,

Jane William 3 A 1/24 Ipex & Dave Williams

POLICY MANUAL

POLICY TITLE: SUBJECT:

Provision of Notice Form and Manner

POLICY SECTION: POLICY NO:

N 1

EFFECTIVE DATE: May 5, 2021 ENACTED BY: By-Law No. 09-10 AMENDED DATE: October 2, 2024 Resolution, By-Law 24-54

1. PURPOSE/APPLICATION

The *Municipal Act 2001* (the Act), Section 270 (4) requires that a municipality adopt and maintain a policy with respect to the circumstances in which the Municipality shall provide notice to the public and, if notice is to be provided, the form, manner and times notice shall be given.

The purpose of this policy is to provide guidance for the delivery of notice.

2. NOTICE

Notice shall be given for the purposes of any of the following:

Road Closings

Naming Roads

Sale of Land

Adoption of Budget and Budget Amendments

Service Fees and Charges

Council Vacancy Declaration

Publication of Financial Statements

Any other matter that may arise that Council identifies as warranting public notice

3. METHOD OF NOTICE

Notice shall be given in the following manner no less than five (5) days prior to the consideration or occurrence of the subject matter:

- (a) posting at the local municipal posting sites (bulletin boards), located in each Ward at the Canada Post mailbox locations
- (b) posting on the Township website at www.townshipofthenorthshore.ca; and
- (c) posting on the Township official Facebook Page

4. CONTENT OF NOTICES

A "notice to the public" shall contain the following information when applicable:

- A general description of the subject matter under consideration;
- Purpose of any meeting of which notice is required to be given or the purpose and effect of the proposed action;

- Identification of the authority under which notice is being given;
- Date, time and location of any meeting at which the subject matter will be considered of which notice is required to be given;
- General provisions guiding the submission of information by delegation to any meeting referred to in the notice;
- Instruction on obtaining any additional information which may be made available by the Township, including name, address, email, phone number and fax number of any office providing notice;
- Details on required actions and timeframes; and
- Be clearly identified as a notice given by the Township of The North Shore

5. NOTICE FOR COUNCIL MEETINGS AND COMMITTEE MEETINGS

The notice for council meetings and committee meetings:

- (a) shall be in the form of an Agenda which shall refer to the day, time and place for the meeting.
- (b) shall be per the Township's Procedure By-Law, as amended regarding the timeline of notice for Regular, Special, and Emergency Council or Committee meetings.
- (c) shall be given for any changes to meeting dates and/or times and for any cancelled or rescheduled meetings.

The annual Council meeting schedule shall be posted via all listed methods of notice, as well as within the Municipal Office.

- 6. Where the municipality is required to give notice under a provision of any Act or regulation, the notice shall be given in a form and manner and at the times as indicated unless:
 - (a) The applicable Act or regulation prescribes or permits otherwise;
 - (b) The requirements for notice are prescribed in another by-law or resolution; or
 - (c) Council directs by resolution a method by which notice is to be given that Council considers adequate to give reasonable notice under the provision.
- 7. Where there is a conflict between this policy/by-law and provision of an Act or of another by-law, the Act or the other by-law shall apply.
- 8. Where a notice does not strictly comply with the provisions hereof but would substantially inform a reasonable person of the subject matter to which the notice relates, the notice shall be deemed to be adequate and in compliance with this by-law.
- 9. Where a notice is required under any Act but is not provided for specifically in this by-law, a notice which would substantially inform a reasonable person of the subject matter to which the notice relates, shall be deemed to be adequate and in compliance with this policy/by-law.

10. ADDITIONAL NOTICE

- i. If the matter is deferred at the open meeting of which notice has been given, no additional notice is required, except where an Act or by-law provides otherwise or the Council directs otherwise.
- ii. If the matter is considered at a subsequent open meeting, no additional notice is required, except where an act or by-law provides otherwise or the Council provides otherwise.

11. EMERGENCY PROVISIONS

- i. In the event of a circumstance, which in the opinion of the Mayor, is considered to be of an urgent or time sensitive nature, and which may affect the health, safety or physical security of residents of the Township of The North Shore, or if a State of Emergency is declared, the requirements of this by-law may be suspended by the Mayor, and best efforts shall be made by the Clerk to provide as much notice as is reasonable under the circumstances.
- ii. The public notice requirements of this by-law may be waived by the Mayor or designate in consultation with the Clerk where a matter is considered to be of an urgent or emergency nature affecting the health, safety and well being of the residents of the Township of The North Shore and best efforts shall be made to provide as much notice as is reasonable under the circumstances.

BY-LAW 24-55

THE CORPORATION OF THE TOWNSHIP OF THE NORTH SHORE

Being a bylaw to confirm the proceedings of Council at its Regular Council Meeting of October 15th, 2024.

The Council of the Corporation of the Township of The North Shore hereby enacts as follows:

WHEREAS Section 5(3) of the *Municipal Act*, 2001, S. O. 2001, c.25, as amended requires municipal Council to exercise a municipal power including a municipality's capacity, rights, powers and privileges under Section 9, by by-law unless the municipality is specifically authorized to do otherwise;

AND WHEREAS the Corporation of the Township of the North Shore deems it desirable to confirm the proceedings of Council at its Regular Council Meeting of October 15th, 2024.

NOW THEREFORE the Council of the Corporation of the Township of the North Shore hereby enacts as follows:

- 1. That each motion, resolution, and other action passed and taken by the Council at its Regular Council meeting of October 15th, 2024, is hereby adopted, and ratified and confirmed.
- 2. The Head of Council and the proper officers of the Corporation of the Township of the North Shore are hereby authorized and directed to do all things necessary to give effect to the said action or to obtain approval where required and except where otherwise provided, the Mayor and the Clerk, or if absent, the designate, are hereby directed to affix the Corporate Seal of the Municipality to all such documents.
