1.0 Purpose/Application

A written Code of Conduct helps to ensure that employees, members of Council and members of the public share and understand a common basis of acceptable conduct for Municipal employees. This Employee Code of Conduct Policy sets minimum standard for the behaviour of employees of the Township of the North Shore in carrying out their functions, as follows

- a) Sets minimum standard for the behaviour of employees of the Corporation of the Township of the North Shore in carrying out their functions and standards are designed to provide a reference guide and a supplement to the legislative parameters, municipal policies and by-laws within which employees must operate and within which employees must conduct themselves.
- b) To Work together harmoniously in accordance with the standards of the Township of the North Shore;
- c) To act in the best interest of the Township of the North Shore when performing their duties; and

Employees shall not just do their jobs well, but shall also be open and honest about what they say and do at all times and to all persons.

4.0 CONFLICT OF INTEREST

The Township of the North Shore recognizes the right of its employees to be involved in activities as citizens of the community, but employees must keep their role as private citizens separate and distinct from their responsibilities as Town employees and avoid conflict of interest. Conflict of interest situations shall include, but not limited to:

- a) The employee's private affairs or financial interest are in conflict with his or her duties, responsibilities and obligations or result in the public perception that such a conflict exist;
 - b) The employee's ability to act in the public interest on behalf of the Township would be impaired or appear to be impaired by the conflict; or
 - c) The employee's actions may compromise or undermine the trust, which the public places in the Township and its administration.

- a) Employees shall provide full disclosure when offering information in potential conflict situations.
 - b) The Clerk after receiving such a disclosure is required to give it due consideration, obtain advice and assistance from Legal Counsel as necessary, and provide the

necessary direction to the Employee with respect to the resolution of the Conflict of Interest.

- c) Provided that the disclosure has been full and frank, any Employee who complies with the direction given pursuant to this process will be safe from discipline or justified criticism and will be able to rely upon the direction as a complete answer to any future disciplinary or other action by the Municipality against the Employee in respect of the Conflict of Interest.

5.0 CONFIDENTIAL INFORMATION

- 5.1 It is the responsibility of each employee to ensure that confidential information obtained in the scope of her/his employment is kept strictly confidential and not released to anyone except as required by law.
- 5.2 As per the *Municipal Act*, employees shall not directly or indirectly, release, make public or divulge any information related to legally called and conducted in camera or closed session meeting deliberations of Council. However, simply because information is shared within a closed meeting does not automatically make that information confidential; it must meet legislated exemptions for openness or fall within other protected legislation.
- 5.3 Requests for information should be referred to appropriate staff to be addressed as either an informal request for access to municipal records or as a formal request under the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*.
- 5.4 The obligation to keep information confidential applies even if the employee ceases employment with the Town.

6.0 GIFTS AND BENEFITS

- 6.1 No employee shall accept a fee, advance, gift or personal benefit that is connected directly or indirectly with the performance of his or her duties of Office or employment.
- 6.2 For these purposes, a fee or advance paid to or a gift or benefit provided with the employee's knowledge to an employee's spouse, child or parent is deemed to be a gift to that member.

Exceptions include:

- Gifts having a value less than Fifty dollars (\$50.00) which are given as promotional items to individuals, provided the gifts do not include money, cash or negotiable instruments;
- If the gift has absolutely no relationship with the status of the recipient as a Municipal Employee (i.e. there is another relationship between the donor and recipient which caused the gift to be made);
- If an Employee receives gifts, entertainment and benefits having value over Fifty dollars (\$50.00), the gifts, entertainment or benefits must be disclosed to the Clerk in writing. Such disclosure shall occur within one week following the receipt of the gift, entertainment or benefit.

7.0 CONDUCT AT MEETINGS OF COUNCIL

- 7.1 Employees shall be respectful of the role of members of Council and recognize that they are bound by the Council Code of Conduct, Procedural By-Law and all applicable legislation, and that their purpose is to act in the best interest of the Municipality. Employees shall not maliciously or falsely injure the professional or ethical reputation of members of Council.

This requires that all employees show courtesy and not distract from the business of Council during presentations and when other members have the floor. This does not mean that staff may not offer advice, comments or suggestions; what it means is that all comments must be accurate, respectful and germane to the topic/subject at hand.

- 7.2 Employees shall respect the fact that the direction of Council is carried out through senior staff, including but not limited to the Clerk. Operational inquiries and issues by employees shall be directed through the Department Head and /or Clerk.

- 9.1 Employees shall ensure that their personal conduct within the Workplace or other locations, while in the course of their employment, does not adversely affect:
- their ability to perform their official duties;
 - the ability of other Employees to perform their duties; or,

- public confidence in the official's functions, the organization, or in the integrity of the public sector.
- 9.2 Loss of public confidence must be based on a proven wrongdoing and not simply personal opinion. It must be recognized that some individuals will take exception to actions taken by employees both in the course of their employment while following municipal policy or personally.
- 9.3 Employees should remain neutral in their service to all councillors providing the same level of service, information and responses to all requests no matter who should make them. This does not prevent individual employees from having conversations with Council members or relationships outside of work. What it means is that all information concerning Municipal business is shared equally and in an unbiased manner and that requests from one member are treated in the same manner as those from all other members.
- 9.4 Relations and communications between employees, between employees and council members, and between employees and the public, should always be civil and premised on mutual respect.
- 9.5 This means that staff will use polite and respectful language and will not use offensive language or gestures, nor shall they engage in patronizing or condescending behaviour with one another, members of Council or the public.

10. PUBLIC TRUST

- 10.1 Employees are guardians of public funds and are responsible for delivering a wide range of important public services, which are supported by members of the public through their taxes. Employees owe the public nothing less than their full commitment to doing the best job they can.
- 10.2 Employees have an obligation to help build pride in their Community, to respect the dignity and diversity of their colleagues and to treat them as we would like to be treated ourselves. While it takes hard work to gain the respect of others, even small lapses can erode confidence in the Municipality.
- 10.3 To ensure that employee conduct does not diminish respect for ourselves, co-workers and for the Municipality, employees shall maintain and exemplify the highest standards of behaviour through:
- devoting ourselves fully to our jobs during our working hours and not allowing personal activities (e.g. reading a magazine, surfing the internet, etc.) to interfere with work.
 - ensuring that all property (including cash, cheques, documents, inventories and equipment) in our care as part of our job is properly secured and protected at all times.

 - fostering an atmosphere of collegiality and supporting coworkers in their work.
 - providing excellent customer service every day.
 - dressing appropriately, having regard to the nature of the employee's work and importance of maintaining a safe and professional work environment image.

Due to allergies and sensitivities, employees shall limit their use of fragrances, especially when they work in a close office environment or vehicles where other employees or members of the public may be negatively affected.
- 10.5 Employees shall not take actions which will:
- harass or intentionally intimidate others.

- 11.2 Each employee shall endeavour to provide a high quality of advice based on political neutrality and objectivity irrespective of party politics, the loyalties of persons in power, or their personal opinions.
- 11.3 Council has delegated responsibility to the Clerk and/or delegated senior staff member for the administration of the affairs of the Municipality in accordance with the by-laws and policies adopted.
- 11.4 This means that under the direction of the Clerk and/or delegated senior staff member, staff has the responsibility and the authority to provide consultation, advice and direction to Council and to implement Council approved policy.
- 11.5 Accordingly, staff establishes the appropriate administrative policies, systems, structures and internal controls to implement the goals and objectives of Council, and to manage implementation within the resources at their disposal.

- 12.1 There shall be no use or appropriation of municipal property, facilities, services, or information for personal use, gain or business by employees, unless that municipal property is generally available to the public and is being used by the employee in that capacity like any other member of the public (i.e. using a Municipal park or other facility for recreational purposes).
- 12.2 This general rule will be subject to exceptions:
If personal use of the Municipal property is provided as part of employment or duties and the personal use is:
- approved by Council;
 - contained in an official job description; or,
 - within an employment agreement;
- If the use of Municipal property consists of the personal use of telephones, internet, computers, fax machines, cell phones, or photocopiers and all of the following are satisfied:

- 15.1 Only licensed software and registered shareware acquired by and paid for by the Municipality are to be operated on the municipal system. Computer games acquired by and paid for by the municipality as part of a training package may be installed on municipal equipment but no other games, including shareware games, are to be installed on municipal equipment. No municipally licensed software is to be copied or transferred to home computers.
- 15.2 No software of a personal nature is to be maintained on the municipal system.

- 18.2 Employees, when communicating with the public and media, will accurately and adequately communicate the decisions of the Council, Boards or Committees, even if an employee disagrees with a majority decision, so that there is respect for and integrity in the decision making process.
- 18.3 It is not the intent of this Code of Conduct to restrict the ability of an employee to express a personal opinion on the matters of general interest. In such cases, the employee must make it clear that the comment is being made in their capacity as a private citizen and not as a representative of the Township of the North Shore. At no time shall an employee express a position that is disrespectful of the decision of the majority of the Council, Boards or Committees.
